1,400,000	35.00	1450	7.25
1,450,000	36.25	1500	7.50
1,500,000	37.50	1550	7.75

## PRECAUTIONARY STATEMENTS

The manufacturer makes no warranty, expressed or implied, regarding the performance of this product in the absence of control over how it is used. Keep out of reach of children.

**CAUTION:** Harmful if inhaled. Causes moderate eye irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. This is a potential sensitizing agent via inhalation. Spray mist may cause respiratory irritation. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**STORAGE:** Store in a cool dry area.

**DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not reuse or refill this container. Place empty container in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**FIRST AID:** If swallowed: Immediately call a poison control centre or doctor. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If inhaled: Potential sensitizing agent. If person is not breathing call 911 or an ambulance, then give artificial respiration preferably mouth-to-mouth, if possible. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for at least 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes; then continue rinsing. Call a poison control centre or doctor for treatment advice. Have the product container or label with you when calling a poison control centre or doctor, or going for treatment.
